ISSA Conference 2020

co-hosted in partnership with
CIP - Center for Interactive Pedagogy/Republic of Serbia
Open Society Foundations
LEGO Foundation

We offer:

- the latest insights from the Early Childhood Development field
- a particular thematic focus in this edition is on equity in early childhood
- bridging gaps between policy, research and practice
- two and a half days of knowledge sharing, dialogue, networking
- more than 400 participants from various sectors
- a unique platform for exchange among researchers, parents, practitioners, policymakers, non-governmental organizations and donors from around the world
- pre- and post-conference workshops and other side events

Celebrating the achievements of more than 25 years of Step by Step Program, the flagship early childhood education reform initiative of the Open Society Foundations, that inspired ISSA's establishment!
