RE : Letter of Commitment

[Date]

To whom it may concern,

[Name of organisation] hereby declares that it commits to the mission of ISSA, that is to support children's development and learning and to ensure social inclusion and respect for diversity, through building a network of active organisations and individuals who are working in and across Europe and Central Asia to improve the quality of life of children. We also commit to sign up to ISSA's Child Safeguarding Policy.

We acknowledge that we have read ISSA's Statutes, Internal Regulations and Membership Handbook and we understand and accept these documents.

We are willing to contribute to the activities of ISSA and we declare our involvement in pursuing ISSA's objectives.

Yours sincerely,
